Act as a Meta Ads copywriter. Product: [product], price [₹], audience [who]. Write 5 primary texts under 125 characters and 5 headlines under 40 characters.
```

06 Customer persona

```
Based on this info about my customers: [paste], create one customer persona: goals, problems, objections, where they spend time online, words they use.
```

07 Content calendar

```
Create a 2-week content plan for [business] on Instagram: 3 posts a week. Columns: date, format, topic, hook, call to action. Mix education, proof and offers.
```

08 Reply to a review

```
Write a polite reply to this customer review: [paste]. Thank them, address the point they raised, keep it under 60 words, no excuses.
```

09 Repurpose content

```
Turn this [blog/caption/video transcript]: [paste] into 1 LinkedIn post, 1 Instagram caption and 3 tweet-length lines. Keep my main point the same.
```

10 Improve my prompt

```
Here is my prompt: [paste]. Ask me 3 questions that would make the output better, then rewrite the prompt using my answers.
